We are happy to announce that payment of fees through our Payment Gateway which was non functional so far, shall be activated once again from 12.00 am on Wednesday, 5th August 2020. Henceforth, all parents/students are requested to make the payment through the gateway from the aforesaid date. ***There shall be no late payment charges.*** One may make payment for multiple months in advance (one month per transaction) also. Students enrolled for multiple disciplines would have to make payment for all the disciplines for the selected months.

Henceforth we shall not be accepting payments which had been hitherto made through branches of Syndicate Bank (now Canara Bank) through IMPS/NEFT/UPI and through any other online mode including through various payment apps like BHIM, Paytm, Google Pay etc.
